

Digital Learning Guidance

HOW TO USE IU DESIGN ACADEMY COURSES

INSTRUCTION

comprehensive digital lessons help students **engage with content**

- use assignments **as-is**
- or
- adjust** to fit student needs
- or
- adapt** to existing curricular structures

ENRICHMENT

flexible content facilitates **differentiation and personalization** of learning for all students

- practice/review concepts**
- remediate understandings**
- extend learning**

ASSESSMENT

Use **assignments as diagnostics** to assess students' understanding of concepts

Engage in **feedback conversations** by encouraging students to respond to gradebook comments

Build & maintain relationships with students through individualized disciplinary feedback

ACCOUNTABILITY

Involve students in their own learning & hold them accountable at home by:

- offering **independent study & practice** options
- providing **choice** in supplemental activities
- facilitate **flexibly-paced learning** for those who need it
